Dear Students & Parents

- ☞ Please ensure that in case your ward/s need leave from the school then this should be informed one day prior to keep the attendance record of your ward/s updated on the ERP system. However, in case of any medical emergency leave can be applied by 7:00 AM on that particular day.
- ☞ In case of long leave(**more than 3 days**) leave form should be submitted and sanctioned in the school office so that his/her actual attendance should be marked on the ERP portal.

Principal
